

5ft T8 LED Tube

Low energy replacement for the T8 fluorescent tube

- Rated A+ for efficiency
- Single end power input for increased efficiency and safety
- Opal polycarbonate shatterproof cover
- Input voltage: 85-265V 50/60Hz
- Colour temperature CDL 5000K
- Average life: 50,000 hours
- Non dimmable
- G13 cap type
- 25,000 switching cycle
- Emergency kit available
