

G9 Halogen C-Class Lamps

2700K Warm White

The C-Class Halogen range offers an energy saving alternative to standard G9 Halogen lamps without the loss of light output. For ease of installation, these lamps are fully dimmable and will retrofit into standard fittings.

- Optimised design of filament construction gives excellent light distribution
- Up to 30% energy saving gives lower operational costs
- Improvement in efficiency - all lamps are C rated
- Fully retrofittable with existing fittings
- Fully dimmable
