

Dimmable LED Filament Lamps

Available in 2200K or 2700K

Our range of completely retrofittable LED filament ST64 Gold Tint and Candle lamps offer customers a true energy saving replacement to traditional decorative filament lamps. After many requests we are now introducing a fully dimmable version of the lamps. The dimmable ST64 Gold Tint lamps have an even warmer colour temperature to our standard range, these dimmable ST64 lamps are 2200K - Really Warm White.

- Fully dimmable
- Highly efficient - rated A+ (ST64s) or A++ (Candles)
- 360 degree beam angle
- Glass envelope
- Provides instant full light
- Operating voltage 240V
- Average life 25,000 hours
